INSTRUCTIONS:

- Use this form for reporting new members only.
Use this form only if your club has paid dues previously during the year.
If your club has not yet paid dues for any members, do not submit this form, but instead submit the International Dues Invoice and Membership Forms.
Extra copies of the New Member Add Form can be requested from the Circle K International Office at (800) KIWANIS, or you can make photocopies of this blank form.
The second line in both the International and district dues sections refers to pro-rated dues.
You must contact the Circle K District Administrator or the Circle K International Office to find out dues amounts for your district and to whom in the district the payment should be sent.
Make all calculations, list all members and information requested, and submit this form with a check for the proper amount.
Complete 3-part form and mail one copy to Circle K International at the address above, one copy to the district official in charge of district dues, and keep one copy for the club's files.
